## Summary of Seventh Kaizen Presentation

YLP's Seventh Kaizen Presentation was conducted on Wednesday, July 25, 2012, the anchoring role was confidently managed by Ms. Mohini Bikkad from Quality Assurance while the event flow was handled by Mr. Deepak Chaudhari, Processing (F.S.) on the laptop & he also shared the vote of thanks. This was a landmark session some key highlights:

- Total 32 members presented 120 & above Kaizens which was record breaking.
- Mr. M. A. Aleem, Subhash R. Deshmukh, & C. R. Deshpande shared 13 Kaizens each.
- Mr. Somvanshi - HOD (IT) presented on behalf of his department keeping the true spirit of Kaizen alive.
- The positivity and motivation shared between employees made the session enjoyable and encouraging.
- MD Sir also attended the session to share the success of employees in making Kaizen a part of our culture and fabric.

- Sunil Gadekar

## Session on Exactness & Daily Work Management for YLs

Monday, July 16, 2012, Mr. M.M.Patel sir conducted session on Exactness & Daily work management in which we learned how we can manage our daily activity and further plans, how can we avoid the gap between plan and actual for smooth functioning and achieve our targets, he focused and stressed on 13 different elements of Exactness which were:

- |                                      |  |
|--------------------------------------|--|
| 1) Exactness of Machines & Equipment | 7) Exactness of the Material Handling System |
| 2) Exactness of set up times         | 8) Exactness of Inspection                   |
| 3) Exactness of Input Materials      | 9) Exactness of Measurement                  |
| 4) Exactness of Material Feeding     | 10) Exactness of Feedback                    |
| 5) Exactness of availability         | 11) Exactness of Skill Levels                |
| 6) Exactness of Information          | 12) Exactness of Communication               |
|                                      | 13) Exactness of house Keeping & Safety      |

He also urged all present to share suggestions on exactness which we can implement in Nath.

- Sunil Gadekar
